Dear Solomon:

It has been our pleasure to partner with SMG Stone as our countertop contractor during the past three years. Our Matisse and Mondrian projects in Playa Vista have benefited from your sales support, competitive pricing, timely fabrication, and support for our customers in material selection and processing. SMG Stone has become a very critical extension of our organization in our goal to provide the best products and service for our customers.

As we look to the future, our association with SMG Stone will continue to play a major role in meeting these challenges.

Sincerely,
